Best before 2 years
after bottling

TASTING NOTES

Bright garnet red color. The nose opens with delicate aromas of ripe red cherry and raspberry, enhanced by subtle hints of redcurrant. The attack is fresh and refined, with a supple, silky texture and fine structure. Elegant and lingering finish, marked by vibrant, slightly tangy red fruit notes.

ADVICE

This wine pairs beautifully with both meat and fish dishes, and is a true pleasure to enjoy with cheeses such as Cantal, Saint-Nectaire, and sheep's milk blue cheese.

- This non-alcoholic red captivates with its bright garnet color and expressive aromas of ripe red berries, from cherries to raspberries, subtly highlighted by hints of redcurrant. On the palate, it is tender and fresh, with a silky, light texture that glides effortlessly, leading to a lingering, indulgent finish reminiscent of redcurrant and gentle spice. Perfect for convivial moments, it offers a new way to enjoy wine: free, light, and always full of pleasure, allowing the authentic character of Pinot Noir to shine without compromise.
- Since the early 2000s, the Pugibet family, always true to its pioneering spirit, began de-alcoholizing its traditional wines. Step by step, they have developed high-quality non-alcoholic wines, crafted entirely at the family estate. A new way to enjoy wine, at the table, as an aperitif, with friends, or with family!
